The Foundation for Oklahoma City Public Schools works to advance excellence, create champions and build strong community support for lasting change in Oklahoma City Public Schools.

Focus Areas and Strategic Alignment

The Foundation's focus areas are in direct alignment with OKCPS's strategic plan, The Great Commitment. See below for our focus areas and supporting programs/initiatives.

Innovative support of teachers (Partnership with DonorsChoose.org)

Community Engagement initiatives (Partners in Action)

English Language Learning program support (Bilingual Teacher Pipeline Project)

Teacher and Leader Professional Development (Urban Teacher Preparation Academy)

DonorsChoose.org

Through a partnership with DonorsChoose.org and with the assistance from generous community partners and District employees, The Foundation provides funding for Oklahoma City Public Schools classroom projects posted by OKCPS teachers. This partnership provides funding for classroom supply needs, field trips and other educational projects. Since partnership with DonorsChoose.org launched, The Foundation has assisted with funding for nearly 1,000 projects for 85 schools, reaching more than 100,000 students cumulatively, with a total financial impact of \$576,000.

STARS of Education

In partnership with The Oklahoma City Public Schools, The Foundation seeks to recognize members of the OKCPS community that demonstrate exceptional teaching, inspired service and volunteerism within the district. To that end, The Foundation provides recognition and cash awards for the OKCPS Teacher of the year and finalists, exceptional support staff within the district and valuable volunteers who make a difference daily. In partnership with the City Council of Oklahoma City and the Downtown Rotary Club, The Foundation also recognizes exceptional teaching within the district through the Rotary Teacher of the Month program. These activities provided almost \$20,000.00 in cash awards to teachers, schools and support staff within the district.

Bilingual Teacher Pipeline Project

The demographic makeup of OKCPS is 50 percent Hispanic, creating a shortage of bilingual teachers. To help fill that gap, The Foundation, with the assistance of donors and education partners UCO, OSU-OKC, OCCC and Rose State College, has launched the Bilingual Teacher Pipeline Project. The program provides funding for tuition, fees and books for bilingual paraprofessionals already working in the district to become certified teachers. We currently have 35 bilingual paraprofessionals participating.

Foundation Projects

Each year The Foundation looks for ways that it can partner with the district to provide much needed support to schools, teachers and students. This year was no different with The Foundation and its community partners providing the funding for a number of outreach events and serving as the fiduciary for an increased number of Partner Funding Agreements benefitting the District and specific schools and school projects.
