CLERK

DEPUTY

The undersigned, of lawful age, being duly sworn, upon oath deposes and states as follows:

1. **Detective Sherae LeJeune** is a CLEET certified Police Officer employed by the Stillwater Police Department.

2. **Detective Sherae LeJeune** has conducted an investigation and based on the knowledge gained from that investigation of the circumstances, it appears as follows:

Alberto Morejon IV was arrested at 900 South Murphy on May 19, 2020 at 7:06 PM. He was arrested because:

On May 12, 2020, a report was made to the Stillwater Police Department in reference to lewd and obscene communication between Alberto Morejon IV and sixteen year old IGS through the social media application *Instagram*. Alberto is currently a teacher and baseball coach at the Stillwater Junior High School. The communication began in 2018 when IGS, fourteen years old at that time, was a student of Alberto's. The communication continued over two years.

On May 15, 2020, IGS attended a forensic interview at the child advocacy center. IGS disclosed that she and Alberto had text and "photo messaging" conversations on *Instagram*. The content began innocuous but eventually became flirtatious in nature. Alberto sent images of exposed male genitalia as well as "imprint" images; an erect penis concealed by tight fitting clothing such as underwear. IGS received approximately five images of an exposed penis over the past two years. She received "imprint" images in almost every conversation. Alberto requested IGS send unclothed images of herself to him. Alberto also told IGS they could meet together at a residence accessible to him where they would not be found. IGS said Alberto's *Instagram* username was "Alberto Morejon". IGS and her guardian consented to participating in a controlled conversation with Alberto for further investigation in this case.

On May 15, 2020 at approximately 6:00 PM, I began a controlled conversation on *Instagram* with Alberto with the assistance of IGS for picture messaging. The conversation was initiated by saying IGS was alone at home. Alberto responded by saying "You trying to find something to do. Or find someone to do? Lmao". He was invited over. Alberto said he still had access to the residence where they could be alone and he asked what they would do together. I responded by asking if he had ever been with a younger girl. He responded with "You're a Virgin though... you ain't even ready". Alberto advised he could not find a reason to sneak out of the house at that time because he had been inside all day due to the rainy weather. He stated "I can on nights I've been outside and have an excuse to stay outside. But today I've been in all day since it's been raining. Lol". I decided to end the conversation with Alberto at that time. IGS was instructed to have no communication with Alberto until she and I could continue at a later date.

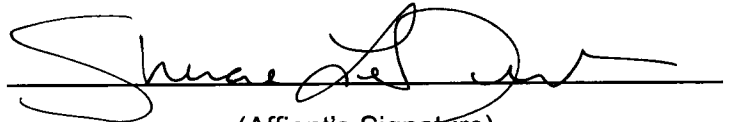

On May 19, 2020, IGS and I met again. Over the past four days Alberto sent multiple picture messages to IGS that she left unopened. At 4:32 PM I initiated conversation with Alberto again. The entire conversation took place using picture messaging. Each picture Alberto sent was of a different area outside of his home with the message typed on the picture. I responded in the same manner with my message written over a picture of IGS. It was known to Alberto that he was having a conversation with IGS. I started by asking what he was doing. Alberto expressed how worried he was about IGS not responding back to him. He said he was outside doing yardwork. I asked if he could leave since he was outside like he said he could in the previous conversation. Alberto advised his vehicle was too noticeable to park at her house. I advised I had a vehicle. He said there could be a tracker on the car or IGS's mother could come home early. I offered to meet him in the parking lot of Walmart. He again said he could not. I told Alberto that if he was so concerned about getting caught then he did not have to meet. He responded by saying how fun it would be for IGS to perform a specific sexual act on him but it would be risky to meet. He provided instructions on how to perform oral sex. He explained what would happen if she did perform oral sex on him. During this conversation there was nothing identifying Alberto as the person I was talking to other than the outside of his residence. I asked if it was even him I was talking to. He responded by taking a picture of his lower body and the caption "Lol yesss". He was wearing blue gym shorts and blue shoes with white trim. He also sent a picture of himself grasping his penis over his underwear with his shorts pulled down.

At that time I requested assistance from the Special Projects Unit. They responded to Alberto's residence at 4527 Prescott Drive. I continued to speak with Alberto. Alberto's picture messages showed him to be in a garage with a dark colored Jeep in the background. He asked for good pictures of IGS. I was informed by the SPU that Alberto was observed at his home wearing the same clothing in the pictures I received. Alberto left his residence in the Jeep that was also seen in the pictures. He was stopped on traffic by a marked patrol unit and placed under arrest for soliciting sexual conduct or communication with a minor by use of technology. Alberto was transported to the Stillwater City Jail where he was processed and jailed.

The aforementioned offense(s) occurred in Payne County, Oklahoma.

**WHEREFORE**, based on the above information, your Affiant prays the Honorable Court find that probable cause exists to detain Alberto Morejon IV on the following charge:

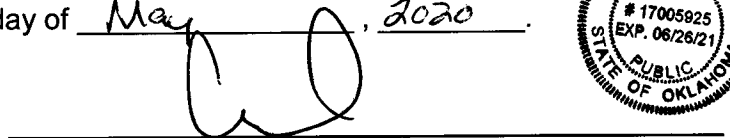

1. Soliciting Sexual Conduct or Communication with a Minor by use of Technology
2. Using access to computers to violate Oklahoma Statutes
