

# City of Edmond Ward Redistricting

Based Upon 2020 Federal Census Data

# Ward Redistricting Overview

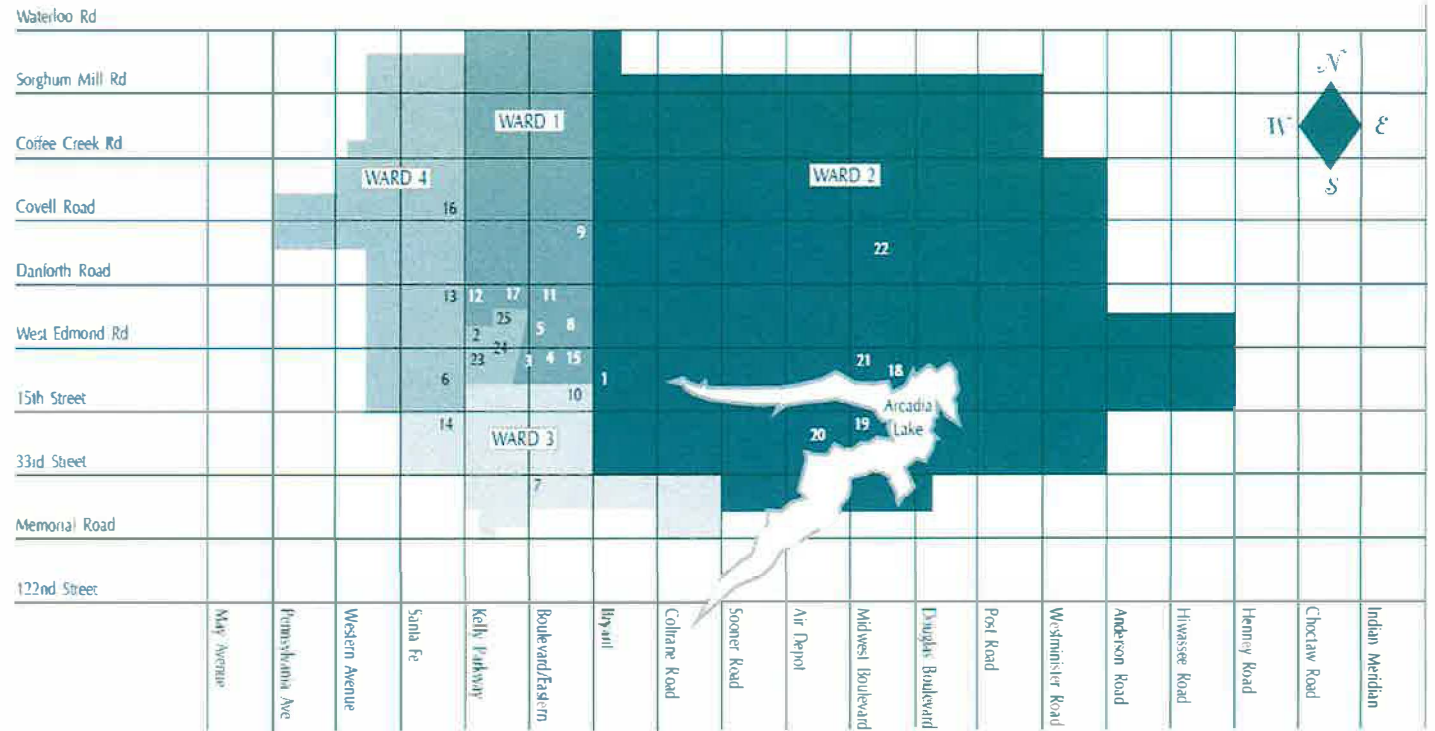

- Based upon data received for Edmond from the 2020 Federal Census
- Before local changes can be enacted, any changes to federal, state and county boundaries must be finalized.
- Edmond's official 2020 Federal Census population: 94,608
- Target population for each ward: 23,607

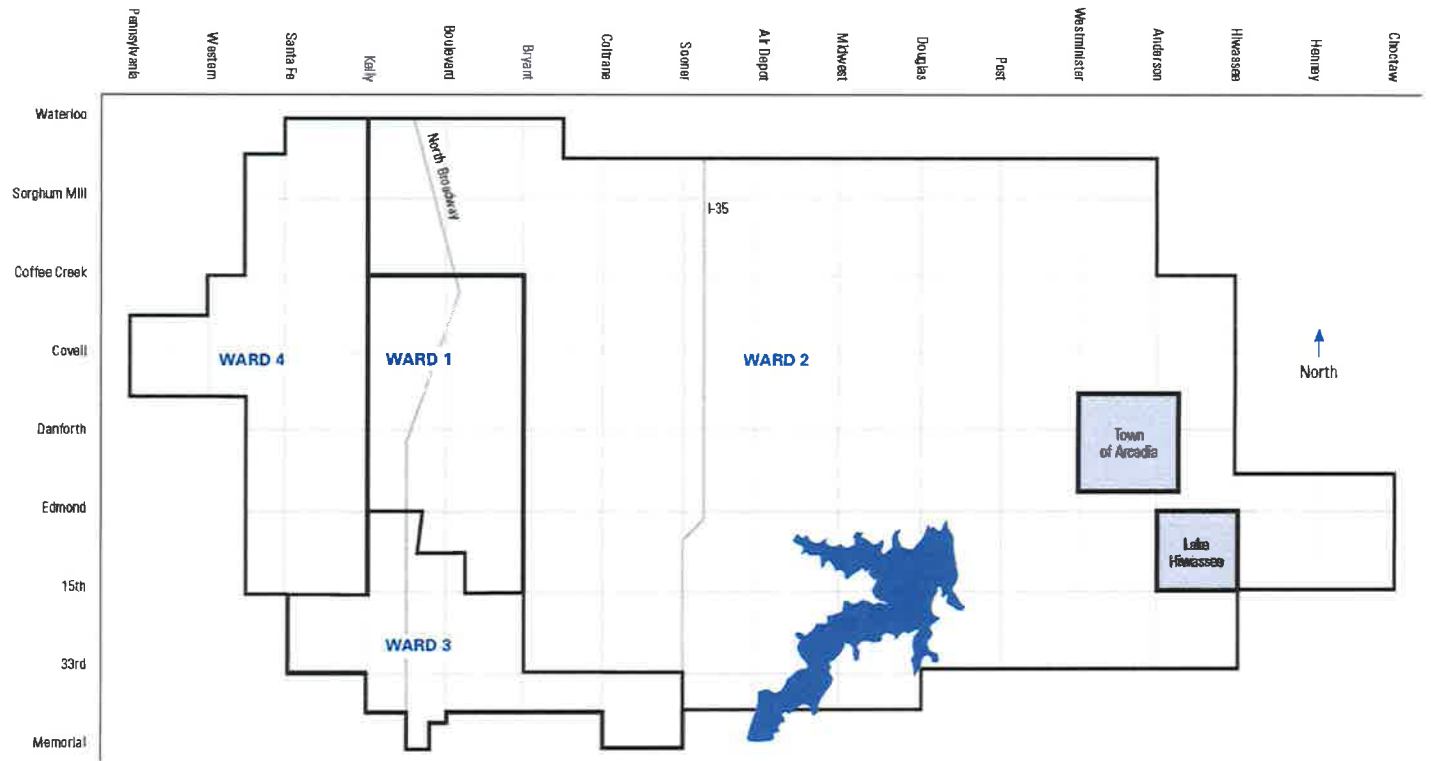

# Ward Redistricting Overview (continued)

- County precincts cannot be subdivided.
- Each current council member must remain in the ward he/she represents.
- Historically, minimal changes are made to keep wards close to their current form.
- Socio-economic conditions and numbers of apartments or single-family homes are not considered when redrawing boundaries.
