Ashley Kelley Statement

On October 14, 2022, at approximately 1:27 in the morning, a person stole my identity, created a fake Facebook account, and posted an untruthful and disgusting message for the sole purpose of destroying my reputation. I woke up to a nightmare! THIS WAS NOT ME! I DID NOT DO THIS!

Unfortunately for this person, the people who know me, the students in my classroom, and my friends and family know I would never say something so vile. They also know I don't speak that way.

I have received hundreds of messages, calls, and emails from people who don't know me but are doing the exact same thing to me, that the message claims that I did to a parent of one of my students. I WILL NOT TOLERATE THIS BEHAVIOR ANY LONGER!

To the person(s) who are responsible, justice will be served. Currently, the Clinton Police Department, the OSBI, and the FBI are working on this case, including a sequence of events that correlate to the message. I truly believe all will be made known, and I pray the truth spreads like wildfire, just as fast as the lies have.

To my family, friends, peers, community members, and especially the students, I am truly saddened that you had to read such vile words, regardless of who wrote them. I also want to say thank you for the love and support that you have shown me during this difficult time and thank you for knowing that I am not capable of such revolting language.
