Dear Mr. Ostrowe,

Upon review and examination of the facts surrounding your case, I have concluded that the prior administration of Attorney General Michael J. Hunter failed to adhere to necessary protocols to avoid any appearance of impropriety. Specifically, former Attorney General Hunter should have disqualified himself from any involvement in the investigation of potential or alleged wrongdoing by you.

I believe this failure affected the credibility of evidence presented to the Grand Jury and compromised the integrity of the Office of Attorney General. I recognize the hardship this has placed on you and your family. I sincerely apologize to you on behalf of the State of Oklahoma. Further, I have instructed my office to convert the dismissal of this matter into a dismissal with prejudice. This should be interpreted as my belief that you committed no wrongdoing and as such should not be subject to any further legal action pertaining to the charges.

Under my leadership, I assure you it is the mission of this Office to hold accountable individuals who violate the law, while also preserving the integrity of our investigative functions and respecting the rights of the individuals being investigated. I believe fundamental fairness and honesty should be preserved, protected, and facilitated for the benefit of all citizens of this state.

Please do not hesitate to contact my office if you have any questions or concerns.

Respectfully,

Gentner Drummond
Attorney General
