Re: D.C. Litigation of Void Compacts

Attorney General Drummond,

Thank you for communicating with the House on this issue before making your final decision. As you know, you have the unilateral authority to take over the litigation regarding the compacts found to be invalid by the Oklahoma Supreme Court. As Speaker, I always try to act in the best interest of the State of Oklahoma. I believe it is incumbent upon all elected officials here in Oklahoma, when acting within their constitutional purview, to do the same. Therefore, if you, as the Attorney General, deem it in the best interest of the State of Oklahoma for you to intercede in this litigation then I and the citizens would expect you to do so, and the House will not interfere with that decision.

Sincerely,
