Re: Convening of an Oklahoma County Grand Jury, **GJ-2023-2**

Dear Judge Andrews:

Pursuant to Art II, Section 18 of the Oklahoma Constitution, which provides that “[a] grand jury shall be convened upon the order of a district judge upon his own motion . . .”, I am requesting the convening of an Oklahoma County Grand Jury to “inquire into and return indictments for all character and grades of crime.” *Id.* Specifically, I am requesting the convening of a grand jury to investigate and potentially issue indictments on officer-involved-shootings that occur within Oklahoma County. There are currently two separate officer-involved-shootings, one resulting in the death of a woman, and the other resulted in the hospitalization of a young person who attended the Del City football game on August 26, 2023. I don’t believe it will be necessary to have the members of the grand jury convene every month, but it is important to have a grand jury convened and able to be called into service when evidence is made available from these types of investigations.

Should you require more information on this request, please do not hesitate to contact me.

Sincerely,

Vicki Zemp Behenna
