Hello Mr. /Mrs. _____, I'm _____ of CHS & Associates, a national research firm. We're speaking with people in Oklahoma today about issues facing us. First…

1. # Generally speaking, do you think things in Oklahoma are headed in the right direction, or do you think things have pretty seriously gotten off on the wrong track?

37%/52%	Right Direction
53%/38%	Wrong Track
9%/10%	(Do not read) Undecided

Now I want to read you a list of names. For each one, please tell me first if you have heard of the person or group, then if so, please tell me if you have a favorable or an unfavorable impression of that person or group. (After response, ask: Would you say your impression is strongly (favorable / unfavorable) or only somewhat (favorable / unfavorable)?
(Randomize names of individuals, followed by randomized list of groups)

	Strongly Favorable	Somewhat Favorable	Somewhat Unfavorable	Strongly Unfavorable	(DNR) Heard of No Opinion	(DNR) Never Heard Of
