Pam,

The Office of the Attorney General has decided to decline handling the investigation. Please proceed with your plan of hiring an outside, independent investigator.

Thanks,
Thomas

Importance: High

Good Morning – We're getting ready to hire an independent investigator to help us determine if any OCC personnel have been impacted by the type of behavior reported by witnesses at the MARC Conference.

Before we contract with someone, however, we wanted to reach out to determine whether the AG's Office would rather handle the investigation. If so, we will certainly stand down.

Please let me know as soon as possible.

Thanks so much,
Pat

Subject: Investigator

Once we receive the emailed list from CSD, lets get together to make a selection of investigator from their recommendations. I have asked Finance to be ready to contract as quickly as possible. Would you mind reaching out to the AG to ensure they do not want to handle the investigation since they were mentioned on the CSD calls as the agency that has a program related to these types of investigations?

I just don't want to start contracting and spending resources if they have any plans to step in.

Thank you!
