AFFIDAVIT FOR ARREST WARRANT

The undersigned upon oath deposes and states as follows, to-wit:

1. I am an Agent with the Oklahoma State Bureau of Investigation (OSBI), State of Oklahoma, and have been so since December 3, 2007. During my law enforcement career, I have conducted numerous criminal investigations and I am aware of what is required in order to request an arrest warrant.
2. The information provided in this affidavit is not everything I know about the case, and it is being provided solely to establish probable cause for an arrest of the above-named subject. The alleged crimes occurred within the boundary of Pawnee County, State of Oklahoma. I have read certain official investigative reports, statements from witnesses, and recordings regarding the above-named subject, and from these statements, reports, recordings, and my own observations and knowledge, it appears as follows:
3. On April 29, 2025, Pawnee County District Attorney MIKE FISHER requested OSBI investigative assistance pertaining to the allegation Oklahoma State Representative TY BURNS was involved in a domestic violence incident. The OSBI received the Pawnee County Sheriff's report along with recorded interviews, a statement, audio/video of interviews and video depicting a time TY BURNS was chasing [REDACTED] and a 16-year-old, who was fully identified and for the purposes of this affidavit will hereinafter be referred to as [REDACTED] in his pickup truck as [REDACTED] was driving a van. The Oklahoma Department of Human Services was contacted and Child Welfare Specialist AMANDA BOYD was assigned to investigate the allegations with OSBI.
4. Investigation revealed that on Thursday, April 24, 2025, TY BURNS and his wife, [REDACTED] BURNS became involved in an argument pertaining to [REDACTED]. [REDACTED] had gotten drunk that evening and TY blamed [REDACTED] for getting her drunk. [REDACTED]

denied to TY that she got [REDACTED] drunk. The next day, April 25, 2025, [REDACTED] and [REDACTED] went to a meeting in Oklahoma City, Oklahoma. While enroute to Oklahoma City and throughout the day, TY continually called [REDACTED] and yelled and cussed at her. TY yelled and cussed at [REDACTED] because [REDACTED] would not get out of bed to do her chores and he continued to blame [REDACTED] for getting [REDACTED] drunk. [REDACTED] was supposed to go with [REDACTED] and [REDACTED].

5. [REDACTED] and [REDACTED] were in Oklahoma City until about 1700 hours on April 25, 2025. All through the [REDACTED] TY was mad at [REDACTED] said [REDACTED] would not get up and TY started accusing [REDACTED] of everything. [REDACTED] told TY to quit yelling. TY kept yelling and cussing at [REDACTED]. [REDACTED] and [REDACTED] stopped to eat at Olive Garden in Stillwater, Oklahoma. [REDACTED] called [REDACTED] and got the kids' food order. TY was still harassing [REDACTED], calling her a lot and accusing her of being at the casino. Soon after [REDACTED] saw TY pull up by a neighboring restaurant: [REDACTED] believed TY was seeing if she was actually at Olive Garden. [REDACTED] had never seen TY act that bad - ever.

6. [REDACTED] and [REDACTED] eventually went to [REDACTED]'S house, which was verified by law enforcement and was located near the city limits of Morrison, Pawnee County, in the State of Oklahoma. TY eventually showed up. In the house were TY, [REDACTED], [REDACTED], [REDACTED], a 10-year-old who was fully identified and for the purposes of this affidavit will hereinafter be referred to as [REDACTED] and an 8-year-old who was fully identified and for the purposes of this affidavit will hereinafter be referred to as [REDACTED]. [REDACTED] was in the back bedroom with the children and it could be heard that TY was yelling and cussing at [REDACTED]. [REDACTED] could be heard arguing and cussing back. [REDACTED] and [REDACTED] all heard TY cussing and yelling at [REDACTED]. The argument between TY and [REDACTED] was then about who was going to go with [REDACTED]. [REDACTED] did not want the kids around TY when he was that angry. [REDACTED] did not believe TY would not ever hurt the children (physically) but she did not want them around TY.

7. [REDACTED] wanted to leave the house so she went out to the kitchen area. [REDACTED] saw TY being verbally abusive toward [REDACTED] and pushing her around. TY tried to grab [REDACTED]'S phone. TY chased [REDACTED] around the kitchen. [REDACTED] could not do anything because then TY would go after her: [REDACTED] was scared to death. [REDACTED] was really worried about the kids. While in the bedroom with the kids, they (the kids) said they (mom and dad) were fighting again. [REDACTED] was almost in tears. When TY saw [REDACTED], he told her to get out of there and she was not taking anyone with her. While TY was saying that, [REDACTED] recorded the conversation. [REDACTED] recorded it for her own safety and she did not want TY to do anything to her.

8. [REDACTED] left the house and went to the van she was driving. [REDACTED] told [REDACTED] that if she ([REDACTED]) did not hear from her ([REDACTED]) then to check on her or call

██████S oldest daughter, ██████. Before ██████ started the van, TY came "storming" out of nowhere. TY started shaking the van and pushing it and also opened and slammed the doors. TY started screaming at ██████, "Get the fuck out of here. I hate you. You are the cause of all these problems." TY told ██████ to get the fuck out of there and that she would be sorry if she stayed. ██████ thought TY was going to hurt her. As TY was pushing and shoving the van and getting in ██████S face, ██████ came out to the van with ██████. TY disappeared.

9. ██████ opened the van door and told ██████ to take ██████ with her. ██████ got in the van in the front passenger side. ██████ told ██████ to hurry and "go, go, go." TY came screaming toward the van and he was again trying to hit it. TY went back and then got in his big truck, and started chasing ██████ and ██████. ██████ heard ██████ yell at her to be careful because TY was going after her and ██████. ██████ turned right out of the driveway and TY was chasing them. TY would come really close to the van and he kept trying to get past the van. ██████ was trying to drive as safe as she could because she did not want to hurt ██████ or wreck the van. ██████ did not know how fast she was driving. TY got to the side of the van and tried to make ██████ weave off of the road. ██████ got really scared. ██████ did not want TY to get past her so she kept weaving back and forth. ██████ knew that if TY got past her then TY would block the road and then probably do something to ██████.

10. ██████ did her best until they got to Maverick and 33900 Road in Pawnee County, State of Oklahoma. TY finally passed ██████ and he blocked the road with his truck and he would not let her by. ██████ thought TY'S truck hit the left side of the van. TY came out of his truck and went toward the van and started screaming at ██████. TY screamed for ██████ to get the fuck out of the car and to give him ██████. TY said to ██████, "I'm going to make sure you go down. I'm going to kill you." While TY chased ██████ and ██████ kept screaming that TY was going to hurt them.

11. ██████ was able to turn left and leave again. TY again chased ██████ and ██████ but this time with more force. TY continued to try and pass the van so he could block the road. ██████ was screaming. ██████ called ██████ and said, "He is going to hurt us. Mama make him stop, please he is going to kill us." ██████ could not go on like that anymore so she let TY pass her. TY again blocked the road. TY approached the van and again started cussing at ██████. TY told ██████ he was going to press charges for kidnapping and he was going to make sure ██████ was in jail the rest of her life. ██████ told ██████ to go with TY. ██████ told ██████ the only reason she took ██████ was because ██████ gave her permission. During the chase ██████ hurt her back and she believed ██████ hit her head when TY ran them off the road and they hit a ditch. TY caused ██████ to drive off the road several times. At this time ██████ went with TY.

12. I listened to an audio recording provided by [REDACTED] of the argument between TY and [REDACTED] and TY yelling and cussing at [REDACTED]. In it, TY can be heard yelling and cussing at [REDACTED], and [REDACTED] being loud and cussing back at TY about whether or not she and the kids were going with [REDACTED]. TY can also be heard yelling at [REDACTED] telling her to "get the fuck off" of his property and to leave.
13. I interviewed [REDACTED] and viewed a recording and some text messages sent by [REDACTED] said on April 25, 2025, she received a call from [REDACTED] was hysterical saying that TY was chasing them ([REDACTED] and [REDACTED].. [REDACTED] call [REDACTED] down a dirt road and TY was trying to kill them. During that time, at 2307 hours, [REDACTED] sent [REDACTED] a text message stating, "dads fucking crazy he just ran off us off the road and [REDACTED] literally almost clicked 911 i said stop that was so scary." Attached to the text was an audio/video recording. Another text message from [REDACTED] to [REDACTED] read, "literally ran us off the road and hit us with his big ass truck. Like me an [REDACTED] nearly almost died."
14. I viewed the video and saw the following: The video was of a dark evening, a view of the two back windows of the van [REDACTED] and [REDACTED] were in, and through the back window the yellow lights on the top of TY'S truck can be seen. The video also depicted the front of the van as it was travelling on a dirt road and the inside of the van. [REDACTED] can be heard saying, "he is literally following us in the truck, he is chasing us, he is literally about to kill us." [REDACTED] stated, "I don't care he can kill me." [REDACTED] stated, "Oh my god this is scary." [REDACTED] stated, "I'm not scared."
15. TY was interviewed and provided the following information: On Friday, April 25, 2025, [REDACTED] got in trouble for not doing her chores. She was also in trouble for just "being dumb." [REDACTED] had been drinking and she threw up on the bathroom floor (the night of April 24, 2025). On April 25, 2025, [REDACTED] would not get out of bed Friday morning. [REDACTED] was supposed to go to work with [REDACTED] that day. TY called [REDACTED] to come and get [REDACTED], but [REDACTED] did not. [REDACTED] finally got up and did some of her chores.
16. TY asked [REDACTED] what was for dinner. [REDACTED] said [REDACTED] was bringing back Olive Garden. TY and [REDACTED] went to Nagoya restaurant in Stillwater, Oklahoma, and then came back home. [REDACTED] was back from work with [REDACTED]. [REDACTED] said they ([REDACTED] and the kids) were going to go and stay with [REDACTED]. Initially TY did not know [REDACTED] was in the house. TY said [REDACTED] was not welcome in his house. TY told [REDACTED] several times she was not welcome in his house.
17. [REDACTED] was "bitching" at TY for fighting with [REDACTED] all day. [REDACTED] said she was leaving, and [REDACTED] was going with her. TY said no kids were going with them. It was

about 2300 hours by then, and TY told them nobody was leaving and to go to bed. [REDACTED] and [REDACTED] were going to leave, but they did not. TY kept telling [REDACTED] and [REDACTED] to just leave, get out of there, and leave him the hell alone. [REDACTED] kept yelling at TY that he was too hard on [REDACTED]. TY told [REDACTED] that [REDACTED] needed to be disciplined. It was going back and forth as to who was leaving, and TY finally said no one was leaving. [REDACTED] said she was not going, and was staying at the house. TY said no one was going anywhere, and he would go and tell [REDACTED]. At that time, [REDACTED] disappeared, and TY did not know where she went.

18. TY said he went outside and saw [REDACTED] in the van. TY said he opened the van door and told [REDACTED], "No one is going with you. Get the fuck off my property." TY left from the van area for a minute and when he returned [REDACTED] was still in the van and [REDACTED] was also in the van. [REDACTED] took off and TY got his truck. TY started chasing [REDACTED] and [REDACTED] in his truck, TY was honking and flashing his truck lights and trying to go around [REDACTED]. TY said [REDACTED] was trying to swerve; trying to literally run TY off of the road. At one point, [REDACTED] turned and TY kept going after her. [REDACTED] was using the van to swerve at TY. TY eventually got in front of [REDACTED] and stopped her. TY got out of his truck and told [REDACTED] to get her "ass in the truck." [REDACTED] peeled out again and [REDACTED] was screaming, "Stop, stop, stop." [REDACTED] stopped. [REDACTED] got out of the van and got into TY'S truck, and he and [REDACTED] left.
19. TY said [REDACTED] would not have been in any danger being with [REDACTED]: It was just that [REDACTED] took [REDACTED] after TY said no one was going with [REDACTED] – it was disrespectful. TY did not even think that there was any danger to [REDACTED] or to [REDACTED] when he was chasing them. TY said all [REDACTED] had to do was stop. TY also said if he did not chase [REDACTED], then no one would have been in danger: that it was just best if he had stayed home. TY thought it was the best option to chase [REDACTED] and [REDACTED] down in his vehicle instead of calling law enforcement. TY did not remember if [REDACTED] said [REDACTED] could go with [REDACTED] or not. [REDACTED] told TY the next day that she said [REDACTED] could go with [REDACTED].
20. During this investigation, [REDACTED] told investigators about a separate incident in which she was physically assaulted by TY that left her with injury. The incident occurred at their residence, in the County of Pawnee. [REDACTED] told investigators that last Thanksgiving holiday (2024), [REDACTED] made plans to do something with friends and TY got mad at her. [REDACTED] told TY he was too controlling, and that she was going. TY followed [REDACTED] into the bathroom. TY was pointing at [REDACTED] and then forcefully tried to gouge her eye out with his finger. TY broke a blood vessel in [REDACTED]'S eye. As a result of her eye injury, [REDACTED] could not go to work the whole next week. [REDACTED] confirmed having seen [REDACTED] with injury to her eye.

Based on the evidence, it appears TY BURNS committed the following crimes: DOMESTIC ASSAULT AND BATTERY from gouging [REDACTED] S eye in November 2024; ASSAULT for attempting to run [REDACTED] off of the road with [REDACTED] in [REDACTED] S van.

Based on this information, the undersigned prays that this Honorable Court issue a finding of fact that probable cause exists to believe the crimes of DOMESTIC ASSAULT AND BATTERY and two counts of ASSAULT have been committed and that there is probable cause to believe that the defendant named above committed those crimes.
